

WINTER/SPRING STORYTIME SCHEDULE

Storytime for preschoolers age 3-5 will be held at the Bluffton Public Library **Mondays at 6:30pm** and **Tuesdays at 10:00am** this winter/spring. This winter's themes are designed to chase seasonal blues away and include stories, songs, fingerplays, snacks and other related activities. Each session is approximately 35-40 minutes long. Parents or caregivers must **register** their child at the front desk. **Please inform Ms. Rikki of any food allergies.** During Storytime, parents are asked not to leave the library and to make sure their child has used the bathroom before Storytime begins. Come join us as we develop imagination and the six early literacy skills each week! Contact Ms. Rikki with questions: 419-358-5016, unterbrink@blufftonpubliclibrary.org.
